Information on how to access GPs

<https://www.nhs.uk/service-search/find-a-gp>

### Emergency Health Advice

NHS 111 - if you have an urgent health need that cannot wait until your GP practice opens, call 111. NHS 111 makes it easier for you to access local health services and is a free of charge number which is available 24 hours a day, 7 days a week. When you call 111, you will be assessed by a trained nurse or professional advisor. They will be able to give advice and information and will direct you to the local service that can help you best. For more information about NHS 111:

<https://www.nhs.uk/using-the-nhs/nhs-services/urgent-and-emergency-care/nhs-111/>

If you think someone is seriously ill or injured and you believe that their life is at risk, call 999 or visit your local accident and emergency (A&E) department. If the situation is not life threatening but you need help fast, please call NHS 111.
