

Module 3b Arts and Culture

Socioeconomics and Culture This survey is part of the Born in Bradford Age of Wonder research project. We will be asking you questions about arts and culture. This will take about 10-20 minutes to complete.

You do not have to take part in this questionnaire. You also do not have to answer any questions you don't want to. If you don't want to answer a question, just leave it blank and move on to the next question.

By completing this questionnaire, you are agreeing to us using the information you provide for our research. We will keep your information completely confidential and will not pass on any of the responses to the questions to anyone. We will write reports based on the data we collect but no-one will ever be able to identify you from anything we publish.

If the answers to any of the questions upset you or you would like to talk about anything that is worrying you, please speak to the member of the research team or the teacher that is doing the survey with you.

The study has been reviewed and approved by Bradford Leeds Research Ethics Committee [Ref 21/YH/0261 date 22.12.21]. Research ethics committees think about the study from the point of view of a person taking part and make sure their rights and privacy are fully respected.
